

2018

**Dash Point Social and Improvement Club
Scholarship Application**

Up to four \$1000 scholarships will be awarded to graduating high school seniors who currently live in the Dash Point/Browns Point communities (see attached eligibility map).

It is a requirement that the applicant or his/her family be a current member of the Dash Point Social & Improvement Club. Annual dues can be mailed to DPSIC Membership, 6716 Eastside Drive NE, Suite 1-23, Tacoma, WA 98422 (membership form attached).

Applicants who will be attending a two or four-year university/college or technical/professional school in 2018-19 may apply.

While an applicant's grade point is a major factor in the awarding of these scholarships, considerable value is placed on an essay of future educational goals, contributions to school, leadership qualities and service to the community.

Again this year, one scholarship will be awarded with community service as the most important element in memory of Janet Flynn. She was the owner of Janet's Table Supply, a small community store which was located near the old Dash Point School on Eastside Drive.

Applications must include:

1. completed application form along with this cover letter (**application forms also at www.dashpoint.org**)
2. an essay describing your future educational/life goals at this time and why you have chosen this career path Please limit your essay to one typed page. Verify your statement with your signature.
3. a signed high school transcript from your school's registrar that includes your accumulative grade point average through the first semester of your senior year
4. a photocopy of the acceptance letter from your chosen university/college
5. letters of recommendation can be included but are optional

All applicants will be notified of the committee's decision prior to graduation.
