

Dash Point Social and Improvement Club 2025-26 Scholarship Application

Scholarships will be awarded to eligible graduating high school seniors who currently live in the Dash Point / Browns Point communities (see attached eligibility map).

Applicants planning on attending any two or four-year University / college or technical / professional school may apply. We encourage students planning enrollment in non-degree, certificate/apprenticeship programs such as skilled trades, construction trades, health care, manufacturing, management, sales, merchandising, to apply.

Although the scholarship committee considers a student's academic transcripts in awarding of these scholarships, considerable value is placed on an essay of future educational / life goals, contributions to school, leadership qualities and service to the community.

Again, this year, one scholarship will be awarded with community service as the most important element in memory of Janet Flynn. She was the owner of Janet's Table Supply, a small community store on Eastside Drive which was located near the old Dash Point School.

Applications Must Include:

1. Completed application form along with this cover letter (application forms also available at www.dashpoint.org)
2. An essay describing your future educational / life goals at this time and why you have chosen this career path. Please limit your essay to one typed page. Verify your statement with your signature.
3. A signed high school transcript from your school's registrar(sealed, notarized for security) that includes your accumulative grade point average through the first semester of your senior year. Transcript must be sealed and notarized for security purposes
4. A photocopy of the acceptance letter from your chosen university / college
5. Letters of recommendation can be included but are optional. These letters are often sealed for confidentiality.

All applicants will be notified of the committee's decision prior to graduation.
